THE ULTIMATE CUT **THE ULTIMATE CUT**

"ONE OF THE BEST HORROR FILMS EVER MADE"
CHICAGO SUN TIMES

DAWN OF THE DEAD

ALL THREE VERSIONS COMPOSITED INTO ONE 156 MINUTE ULTIMATE CUT

The definitive zombie film DAWN OF THE DEAD - THE ULTIMATE CUT, is acclaimed as one of the best horror films ever made. This cult classic is George A. Romero's nightmare vision of a world fighting, overrun by a flesh-eating army of living dead.

A national emergency grips America as the bodies of the recently dead are returning to life and attacking and eating human victims. In the big cities, the situation is causing severe panic and widespread confusion. In a desperate bid to survive, four friends escape the chaos overtaking Philadelphia. Heading north in a helicopter, they take refuge in a huge shopping mall and manage to secure it from an ever growing bloodthirsty army of zombies outside. However, their fate is threatened when a violent band of scavengers raid the mall, opening its doors to the invading zombie hordes. A battle that only a few can survive!

Formerly only available in three differing versions: the American 'Theatrical' cut, the European 'Dario Argento' cut & the extended 'Cannes' or 'Directors cut', this is a composite edit combining all of the alternate, additional & extended footage in each version, into one huge & definitive ultimate cut.
